

**BADGERLAND  
DISPOSAL**  
AN LRS COMPANY

Dear Village of Marshall Residents,

Badgerland Disposal, an LRS Company, is proud to announce new curbside collection service for residents in the Village of Marshall beginning in January 2023. Badgerland Disposal/LRS will provide weekly refuse and every other week recycling collection for all residents.

**Starting the first week of January (see attached calendar)**, please roll your new Badgerland/LRS containers to the end of the driveway on collection day. (Service day is Monday for both trash and recycle.) **Containers should be placed 3 feet apart & 3 feet from any obstruction**, walking between containers is a good rule of thumb. Or, place one container on the left side of the driveway and the other container on the right.

*\*\*Please leave your current hauler's carts at the curb after your last service day in December as they will be removed. Badgerland/LRS will only service the new carts which will be delivered to each home near the end of December.*

### **COLLECTION PROGRAM GUIDELINES:**

- Trash and recycling must be curbside by 6:00 a.m. on your designated collection day,
- All waste / recycling materials must be **INSIDE** of the carts, waste or bags outside of the carts will not be taken, and
- On holiday weeks we operate on a one-day delay, when the holiday FALLS ON A WEEKDAY.

### **SERVICE CALENDAR:**

Enclosed please find your service calendar which outlines your collection schedule. Trash will be picked up weekly and recycle will be picked up every other week starting Monday, January 2, 2023.

### **BULK ITEM SERVICE:**

> Bulk "pay-per-item" option is available year round. Please email [bltownservice@lrsrecycles.com](mailto:bltownservice@lrsrecycles.com) or call **(608) 580-0580** to arrange services. Again, items must be <60 lbs and manageable by one person (or broken down into manageable pieces, no yard waste, no hazardous material, no waste oils, and no liquids).
