C. **Billing.**

Bills for sewer service are currently rendered monthly. Bills for sewer service become due and payable on the first of the month following the period for which service is rendered. A late payment charge of 1.0% per month will be added to bills not paid within 20 days of issuance. This late payment charge is applicable to all customers.

D. **General Sewer Service-Unmetered.**

Service shall be billed at the rate of \$41.98 monthly. This rate shall be applied only to single-family residential and small commercial customers and approximates the cost for 5,000 gallons per month discharged to the sewer system. If it is determined by the utility that the user discharges more than 5,000 gallons per month to the system, an additional charge of ~~\$5.90~~ \$6.62 per 1,000 gallons will be made for estimated additional usage.

Adopted by a vote of six (6) for, zero (0) against, zero (0) abstaining, and one (1) absent this 13th day of December 2011.
