**VILLAGE OF MARSHALL
PERMANENT FULL-TIME EMPLOYEE
PUBLIC WORKS MECHANIC/ TECHNICIAN**

Marshall, (pop 3,862) seeks a full-time public works mechanic/technician serving under the general supervision of the Director of Public Works, this position primarily will be to maintain and repair Village Vehicles, including emergency vehicles, medium and heavy duty vehicles, plow trucks, and other related heavy operating equipment. This is accomplished by responding to work orders and servicing and inspecting vehicles and equipment for general repair and/ or specifically identified mechanical issues. An employee in this position may be called upon to further assist with performing a variety of equipment operating, maintenance, and manual labor in the areas of streets, water, parks, and building and ground maintenance.

Qualifications: Must be 18 years of age; hold a valid Wisconsin Commercial Driver's License (CDL) Classes B and D with air brake endorsement. Applicants must have experience operating and above average skills required to maintain vehicles and equipment up to and including medium duty trucks. Experience in building maintenance, carpentry, electrical and plumbing maintenance is a plus. Applicants must be available for call-out for snow and ice control and other emergencies. A full Job description is posted on the Village of Marshall website. (www.marshall-wi.com) Starting wage will be based on experience. Full benefits package is available. Application materials are available at the Village of Marshall municipal building, 130 S Pardee St. Marshall, or can be downloaded at www.marshall-wi.com. Applications will be accepted until the position is filled. E.O.E.
